WE HAVE SOMETHING IN COMMON

We love Moreau Lake State Park. We're guessing you love it, too.

Our park is special because of the natural beauty and endless recreational opportunities, but also because of the people who gather here: nature lovers, families, and people from all walks of life.

The Friends of Moreau Lake State Park are people, like you, who enjoy our park and want to preserve it for future generations. We support educational activities, park clean up days, and building or maintaining features that protect people, plants, and wildlife.

Our park is kept beautiful thanks - in part to the Friends of Moreau Lake State Park.
