Moreau Lake State Park is located in the Palmertown Mountain Range, between Saratoga Springs and the Glens Falls area, in both Saratoga and Warren Counties. Discover the park's beautiful scenic views and challenging terrain on both shores of the Hudson River. Come camp (mid-May to mid-October), boat, swim, fish and explore the many trails available for hiking, biking, snowshoeing and cross-country skiing. Remember to stop by the Nature Center, supported by the Friends of Moreau, where environmental programs and numerous interactive wildlife displays may be experienced.
