

Friends of Moreau Lake  
Commemorative Plaque/Bench Donation  
Program  
Order Form July 2022

Overview - This is a fundraising program that helps support the mission of the FOMLSP. The plaques are mounted on existing benches primarily around the lake. They come in two sizes, 5" x 7" and 8" x 6". The plaques are black and silver aluminum casting with 4 mounting holes. The design is printed on a special UV resistant film and then applied to the plaque. The FOMLSP will work with you on the design and wording. The plaques are warranted for 3 years from environmental damage. You may view existing installations [HERE](#).

The commercial benches meet park specifications and include a 5" x 7" plaque. Once a bench is installed, park management will assume responsibility for care and maintenance. The installations are provided by FOMLSP volunteers.

*\*The placement and location of the plaques and benches is based upon approval by Park Management. The FOMLSP will coordinate with you and the Park Manager in the selection process. We will collectively make every effort to meet your requested location.*

Please make your selection:
