DIRECTORS

Robert Trimarchi

Richard Pine

Michael Lesser

Nadine Mayo

Charlene Kane

The purpose of NatureFest is to enlighten, educate and entertain the more than 1,500 visitors with a focus on the park, our regional natural resources and the local businesses and nonprofits who all share a common desire to promote our place in the world through responsible efforts. We have quite a variety of exhibitors which makes the event even more special. There are activities for families and kids of all ages. The event is held in the beach/picnic area and covers several acres.

We are writing to invite you to consider tabling at our event. It can be as simple as a single table or a larger display with your own promotional banners and signs.

****NEW* this year*** – we are adopting a theme to highlight and it's all about "Bees" to showcase and increase awareness for one of the most critically endangered animals on our planet – without bees, there is no food! This is completely optional for you as an exhibitor to talk about or share bee related experiences. We can help in your planning. It's all up to you!

This is a free event for our community and our mission is to make it as welcoming as we can for our community. There is no cost to exhibit and yet, you will have the opportunity to meet and greet over 1,500 attendees in sharing your information.

NatureFest is the Friends of Moreau Lake State Park annual fundraiser. We are 100% volunteer. We receive our money by donations throughout the day. We assume all costs to set up and provide for the day and underwrite special activities such as pumpkin painting, face painting and horse carriage rides. As such, we do not allow sales of any goods or services. Instead we encourage local businesses to provide information and handouts to further engage the visitors.

For a look at our past events, please go to: naturefest.org at the bottom of the home page is a gallery of past events to give you an idea of what the day is.

For those exhibitors who return every year, thank you so much and we look forward to seeing you again! Please confirm your attendance below.

If you are returning or new and interested, please use this [NatureFest Exhibitor FORM](#) or email: comments@fomlsp.org and a volunteer will get back to as soon as possible.

Best Regards,

Nadine Mayo
Exhibitor Manager
