WE HAVE SOMETHING IN COMMON

We love Moreau Lake State Park. We're guessing you love it, too.

Our park is special because of the natural beauty and endless recreational opportunities, but also because of the people who gather here: nature lovers, families, and people from all walks of life.

"Those who contemplate the beauty of the Earth find reserves of strength that will endure as long as life lasts."

Rachel Carson

Our park is kept beautiful thanks - in part to the **Friends of Moreau Lake State Park.**
